Reasons for Allowance

1. Claims 1-20 are allowed.

The following is an examiner's statement of reason for allowance:

None of the references of record teaches or suggests the claimed a an antenna arrangement for a wireless portable communication device, the wireless portable communication device having a transceiver disposed on a printed circuit board, the printed circuit board having first and second sides opposite of each other, comprising, along with all the other claimed feature, an antenna coupled to the transceiver; and the **conducting element presents high impedance** at operating frequencies of the wireless portable communication device and **diverts radio frequency currents** from the first side of the printed circuit board to the second side of the printed circuit board such that a magnetic field produced by the radio frequency currents on the first side of the printed circuit board is **reduced in a near field**.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
